Risk, Return & Valuation

06/11/2020

Pawan Anil Nirpal

has successfully completed the online, non-credit Specialization

Foundational Finance for Strategic Decision Making

In this specialization, learners were honed in the skill to identify the key drivers of a business strategy to link these to the value created by a specific project and the strategy. The learner will now be able to show the tangible financial implications of both corporate and individual decisions, a key step in making smart choices. The learner will master the language of business.
