## Summary

• Greetings dear reader, I am Pawan Nirpal, I always was fond of computers and wanted to pursue a career in computer science, so I will be officially a computer scientist by 2022 as I graduate the university.

• Among math and programming algorithm's, I am also a keen reader and Jim Rohn is my favorite author, some of his inspiring books that I've read so far are Puzzle and Twelve Pillars. While some other favorites are Mindset: The New Psychology of Success by Carol Dweck, The Compound Effect by Darren Hardy.

• I also like stargazing, I know we all do but I have a particular interest in space and astronomy since childhood. I am also educated in financial matters some of my favorite books there are The Richest Man in Babylon, Learn to Earn by Peter Lynch, and The Intelligent Investor by Ben Graham.

## Education

**Savitribai Phule Pune University**
Bachelor of Engineering - BE, Computer Engineering
2018 - 2022

## Licenses & Certifications

**Google Certified Explore ML** - Google

**Microsoft Certified in Algorithms and Computational thinking.** - Microsoft

**Deep Learning Specialization** - deeplearning.ai
Verify at coursera.org/verify/9ZTKTW88D5DL

**Foundational Finance for Strategic Decision Making** - University of Michigan - Stephen M. Ross School of Business
coursera.org/verify/specialization/GHYUSC3EN3XN

**Data Structures And Algorithms Specialization** - Higher School of Economics
coursera.org/verify/CK2TH9AMELC8

## Honors & Awards

**5\* in Algorithms and Probelm Solving On Hackerank** - Hackerrank
Nov 2019
